Share this invite with others that may want to attend.

The Great Lakes Angels are pleased to invite all accredited investors (members and non-members *) to the presentation of the following selected companies on Feb. 25, 2016:

MessageWrap

www.MessageWrap.com

MessageWrap transforms the dirty black conveyor belt at supermarkets into an antibacterial HD billboard in the highest traffic area. Handstand is a retail innovations company helping retailers and consumer products manufacturers improve how they connect with consumers. Handstand's latest innovation, MessageWrap, is a custom-printed antimicrobial checkstand belt cover. It provides a cleaner surface for shoppers to set their food on before taking it home to their families, and provides a more efficient way for retailers and advertisers to message to their customers.

AKTV8 LLC

www.AKTV8.com

Electronic suspension made easy for all vehicle markets. iAir & iDamper are the world's most integrated air suspension controls and modular adjustable dampers.

Aktv8 was formed in November 2014 to capitalize on the growing \$2B market for electronically adjustable suspension to improve ride comfort, handling, and safety in all vehicle markets: aftermarket, commercial truck/ bus and OEM automotive.

ContentOro
www.ContentOro.com

ContentOro provides high quality, expertly written and edited content to online advertisers better, cheaper and faster than the competition. We are solving a problem all website owners have. They need content on their websites to draw buyers who are searching for information or entertainment online. We are a technology company creating the first content marketplace for businesses to search, find and lease quality authoritative content for use online. We work with book publishers who give us exclusive use of their content. We convert it to HTML and then lease it to our customers.

CulturecliQ LLC
www.culturecliq.com

Culturecliq is a breakthrough web-based recruiting system and method that connects candidates and companies based on culture. *There is a "War for Talent" going on in the recruitment industry. *Companies are desperately trying to fill positions. *The "balance of power" has shifted to the candidate who is being very selective about where they will be employed.*"The best people for a company don't just fill a job they fit the culture."*Target audiences like the Millennial (Gen Y) generation (now 58% of the workforce) must be reached on their own terms.

HyGenesis LLC
www.hygenesis.com

HyGenesis owns proprietary technologies that help institutions lower overall infection rates and reduce the cost of the disinfection function. The HyGenesis System includes unique, antimicrobial products and services that deliver long-term antimicrobial protection, on hands, surfaces and in the laundry, against the most onerous and persistent "super bugs" (i.e. MRSA, VRE, etc.) as well as mold, mildew and viruses, including the flu.

* Non-members may attend up to two events without Membership.
Future meetings will require membership.

The Great Lakes Angels is a nonprofit corporation. The mission is to organize and mentor angel investors and provide a forum for them to grow in knowledge and wealth and foster more of the same - to help invest in entrepreneurial companies in the Region.
