Company Presentations, April 26, 2016*

Come join us for the second of the 2016 series of Company presentations on April 26.

The Great Lakes Angels are pleased to invite all accredited investors (members and non-members *) to the presentation of the following selected companies.

BoostUP

www.boostup.com

BoostUp is a first-of-its-kind down payment savings platform that helps people save toward their first home or car purchase by getting their savings matched from family, friends and brand partners. Consumers create a free BoostUp account, set a savings goal and then automate deposits to reach that goal. Brand partners offer a dollar-for-dollar match (known as a "Boost") which rewards their savings when they buy. Family and friends can also give a Boost to help their loved ones reach their goal faster and easier.

HT Mobile Apps

www.htmobileapps.com

HT Mobile Apps creates best in class software solutions that help community banks and credit unions stay relevant.

Targamite

www.targamite.com

Targamite is a technology R&D company formed to provide advanced robotic and artificial intelligence platforms focused on enhancement of human decision making.

Towel Tracker

www.toweltracker.com

Towel Tracker is a high technology inventory management solution that helps resorts, fitness centers, hospitals, and laundries prevent the theft of towels, linens, and medical scrubs by integrating RFID technology into each item. Utilizing a patented dispensing unit, Towel Tracker matches individual towels and scrubs to guest ID's. Unreturned items can be automatically charged to the user. Towel Tracker customers benefit from our inventory management technology with lower towel theft rates, reduced housekeeping hours, lower laundry costs, cleaner facilities, and business intelligence to better manage their towel service.

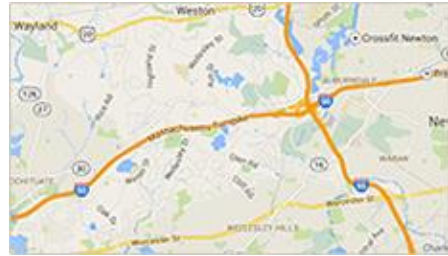

* Non-members may attend up to two events without Membership. Future meetings will require membership or invitation by a member until joining.

The Great Lakes Angels is a nonprofit corporation. The mission is to organize and mentor angel investors and provide a forum for them to grow in knowledge and wealth and foster more of the same - to help invest in entrepreneurial companies in the Region.
